

KUNSILL LOKALI LIJA

Dear _____,

The Lija Athletic Football Club, in collaboration with the Parliamentary Secretary for Consumers, Fair Competition, Local Councils and Public Dialogue, the Parliamentary Secretary for Youth and Sport, the *Kunsill Malti għall-isport* and the Lija Local Council will be organising a Sports Festival in the Lija *pjazza* on **Sunday 6th June**.

This Festival is aimed to promote a wide variety of sports with people of all ages in order to entice more people to take up a sport and become physically active. Such physical activity, in turn, would not only serve as a means of promoting one's physical well-being but would also encourage a more holistic approach to social interaction.

This Festival will include sports such as football, basketball, volleyball, handball, ABCS, water games, rugby and tennis. Such a variety of sports is intended to attract people to not only attend but also try their hand at the various sports on offer and possibly choose one or two sports which they might want to take up on a more continuous basis.

The festival will start off with a 2K fun run for children between the ages of 6 and 12. A 5K fun run will also be held for children over 13 and anyone else wishing to participate. Participants in both events will be allowed to complete the course by walk. All participants will be given a certificate of participation following the event.

We would like to encourage everyone to participate in these events.

Name and surname _____

Date of birth _____

I would like to participate in the 2K fun run 5K fun run

(please tick the appropriate box and return to the Lija Local Council by Friday 4 June)
